

# ▶ Summer Seminar Solutions for Struggling Students

**Maximize your child's summer break!**  
- Immerse them in technology training to increase their academic skills & confidence!

Designed specifically for your struggling student, AT:LAST has developed a unique 3 part summer series that focuses on *organization, reading and writing skills*. Unlike other summer program, our series focuses on **technology tools** to help **your child succeed across the curriculum**.

The three series are designed by academic task and are customized to individual needs. **All seminars include a FREE pre-seminar, one-on-one consultation with one of our AT Specialists.**

**Middle school sessions: 9:00—12:00**  
**High school session: 1:00—4:00**

***Expose your child to emerging assistive technology tools and watch their learning abilities advance in September!***

▶ **SAVE THE DATE!**

▶ **AT:LAST THERE IS A SOLUTION!**

**Does your child have a learning disability or ADD?**

**Do they study and work hard - but their grades don't reflect their effort?**

**Are they falling further and further behind in school?**

**Are they frustrated with traditional teaching methods?**

**Would you like to expose them to current assistive technology tools?**

▶ **ORGANIZATION**

**June 29—June 30, 2009 (\$99)**
