- ComputED Gazette

Winner of the 10th ANNUAL EDUCATIONAL SOFTWARE REVIEW AWARDS (EDDIES) for Math

- ComputED Gazette

"When I weigh the cost of the program against the potential stress and time spent on homework over the course of the average school year, I think it works out to be worth its weight in textbooks."

- GamersInfo.net (GI.n)

"PC Pick Award Winner"

- Teach-nology.com

"The Solved! series of math help programs is just terrific if you're looking for straight-forward, step-by-step assistance in solving math problems... this is a life-saver!"

- Today's Catholic Teacher

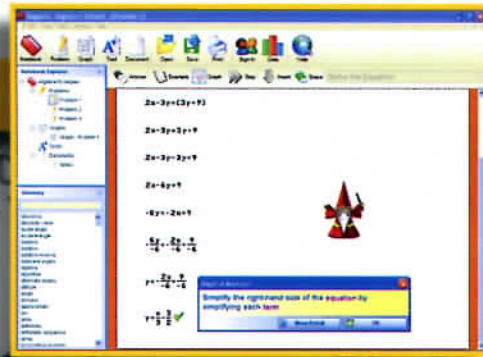

"This program might just make your day."

- Children's Software Review Magazine

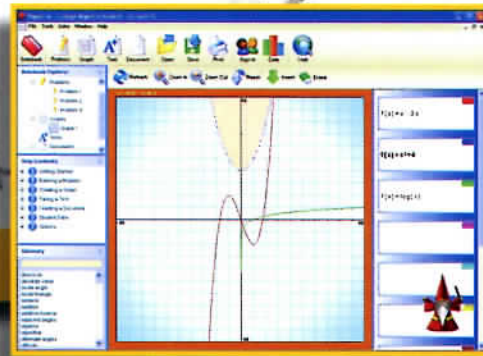

"Technology Pathfinder for Teachers Pick of the Month"

- Technology Pathfinder for Teachers
